PROGRAM OVERVIEW – “ASCC” American Society of Concrete Contractors Business Insurance Program

This program is endorsed by the American Society of Concrete Contractors (ASCC). These risks will be involved in new concrete construction, repair and maintenance. Coverage is available for General Liability and Umbrella.

ELIGIBLE OPERATIONS

The firm must derive 60% or more of its payroll and sales from concrete construction, repair and maintenance, including but not limited to, curbs, sidewalks, driveways, patio floor slabs and foundations. Guniting contractors are also eligible for the program.

Any risk involved in excavation work must communicate with the One-Call Service Center and area utility owners that are not members of the One-Call Service Center prior to all scheduled excavations.
